

Criteria for requests for support

Arizona

The Community and Business Relations Work Group at Mayo Clinic in Arizona reviews all requests for support.

Criteria:

- Fits within one of Mayo's three shields of clinical practice, research and education
- Fits within an area of our strategic clinical focus areas
- Has a Mayo leader involved
- Considered a community business imperative, or be diversity-related before it can get to the committee for consideration.
- Typically, the request must also be from/to an adult audience.
