

**Mayo Clinic Medical Edge**

***Detecting Bladder Cancer***

1:00

Log	Audio
<b>Intro with music</b>	GIVING YOU THE EDGE ON HEALTHY LIVING, HERE'S MAYO CLINIC'S MEDICAL EDGE.
	GREEN... GOLD... PURPLE... MOST PEOPLE HAVE A FAVORITE COLOR. MAYO CLINIC DR. LANCE MYNDERSE HAS TWO... RED AND BLUE. YOU SEE, DR. MYNDERSE WAS PART OF A RESEARCH TEAM WHICH BROUGHT A NEW TEST TO THE UNITED STATES THAT MAKES BLADDER CANCER TUMORS SHOW UP RED, WHEN EXPOSED TO BLUE LIGHT.
<b>Lance Mynderse, M.D.</b>	"AND WE FOUND A SIGNIFICANT IMPROVEMENT IN THE DETECTION OF CANCERS THAT OTHERWISE WOULD HAVE BEEN MISSED."
	THE TEST IS CALLED

	<p>PHOTODYNAMIC DIAGNOSIS CYSTOSCOPY. NOT ONLY DID IT MAKE THE TUMORS EASIER TO SPOT, BUT WHEN IT COMES TIME TO TAKE THEM OUT...</p>
<p><b>Dr. Mynderse</b></p>	<p>“WE DO A BETTER JOB OF RESECTING THE TUMOR... GETTING ALL OF THE TUMOR THE FIRST TIME.”</p>
	<p>SUBSTANTIALLY REDUCING THE RATE AT WHICH THE CANCER COMES BACK. WITH THIS TEST, YOU COULD SAY DR. MYNDERSE IS SEEING BLADDER TUMORS IN A WHOLE NEW LIGHT.</p>
	<p>FOR MORE INFORMATION, TALK TO YOUR DOCTOR OR VISIT MAYOCLINIC.ORG. I'M VIVIEN WILLIAMS.</p>
