Intro with music	GIVING YOU THE EDGE ON HEALTHY LIVING, HERE'S MAYO CLINIC'S MEDICAL EDGE.
	ALL IT TAKES IS A FEW CLICKS AND A CREDIT CARD AND YOU CAN HAVE A PRESCRIPTION FOR ERECTILE DYSFUNCTION DRUGS DELIVERED TO YOUR DOOR. BUT...
Ajay Nehra, M.D.	"THERE ARE SOME HUGE CAVEATS OR LIMITATIONS THAT WE NEED TO BE AWARE OF."
[AH-JAY NAIR-AH]	WHILE PDE INHIBITORS SUCH AS VIAGRA, LEVITRA, AND CIALIS MAY IMPROVE SYMPTOMS OF ERECTILE DYSFUNCTION, DR. AJAY NEHRA, A MAYO CLINIC UROLOGIST SAYS

	THEY DO NOT TREAT UNDERLYING MEDICAL CONDITIONS THAT MAY BE CAUSING IT.
Dr. Nehra	“IN A SMALL PERCENTAGE OF PATIENTS, THE ONSET OF SEXUAL DYSFUNCTION MAY INDEED BE THE INITIAL MANIFESTATION OF QUIET BUT DEFINITE CORONARY ARTERY DISEASE.”
	DR. NEHRA SAYS MEN INTERESTED IN TAKING E.D. DRUGS SHOULD SEE THEIR DOCTOR. AND IF, DURING AN EXAM YOU FIND ANY ISSUES, THEY CAN BE TREATED.
