## Good Samaritan Fund

### Help patients in need

When patients and their families experience a prolonged illness or hospital stay, they may be concerned about medical expenses. These concerns can be overwhelming. For these situations the Mayo Clinic Hospital, Methodist Campus Good Samaritan Fund is available to help. In keeping with its mission of service and giving, in 1990 the Methodist Campus Volunteers created the Good Samaritan Fund. The purpose of this fund is to provide assistance to patients who need help paying for their hospitalization expenses. Each year, the Good Samaritan Fund helps many families pay medical expenses they could not otherwise afford. Your gift to the Good Samaritan Fund increases the number of patients and families who receive financial assistance.

### Patients receiving funds

Nurses, chaplains, social service staff and business office staff take great care in identifying patients facing severe economic hardship. A case-by-case review of each referral ensures that patients with the most serious

needs receive funds toward their hospitalization expenses. Rather than pay the full amount for a few patients, funds are dispersed to help many patients pay a portion of their expenses.
