Helping Patients in Financial Need

A ministry of help and hope

Saint Francis of Assisi

The Poverello Foundation is a ministry of help and hope to the patients of Mayo Clinic Hospital, Saint Marys Campus.

The foundation is named for Saint Francis of Assisi. Born to a wealthy Italian family in 1182, he devoted his life to serving others.

He became known as “Il Poverello,” or “the little poor man,” for his humility and charity.

Since 1983, the Poverello Foundation has provided financial support to more than 7,200 men, women and children who cannot pay for medical and surgical care received at Mayo Clinic Hospital, Saint Marys Campus. Recipients of this support feel a sense of relief that plays a vital role in the healing process.

To continue our work, we depend on gifts from friends who share our call to help others. Your gift and any investment earnings from your gift will support the mission of the Poverello Foundation.
