

C. Michel Harper, M.D.

Colby College; University of Nebraska Medical School
Board member since 2014

Dr. Harper is Mayo Clinic’s medical director of Revenue Model Innovation, a professor in the Department of Neurology and former executive dean, Mayo Clinic Practice. His previous leadership roles within Mayo Clinic include serving as chair of the Mayo Clinic Clinical Practice Committee; chair of the Midwest Clinical Practice Committee; and member of the Mayo Clinic and Midwest Executive Operations Teams. Dr. Harper has held many leadership roles within the Department of Neurology including department vice chair; Neurology residency and fellowship program director; associate chair for faculty development; associate chair for clinic practice; and EMG laboratory director.

Dr. Harper specializes in myasthenia gravis and other neuromuscular disorders. He has authored over 60 peer-reviewed articles and multiple book chapters, and co-authored several books on myasthenia gravis. He is a member of the advisory board of the National Myasthenia Gravis Foundation and served on the editorial board of Muscle & Nerve.
