

Randy Steer, M.D., Ph.D

Mayo Medical School; University of Minnesota
Board member since 2011

Dr. Steer has been an independent pharmaceutical, biotechnology and medical devices consultant since 1989. He is an internationally recognized leader in business development, medical marketing, and regulatory and clinical issues. He has a broad scientific, medical and business background, including extensive experience in pre-clinical, clinical and regulatory affairs, having held key management positions in leading corporations and served as an advisor to many companies in the United States and abroad.

Dr. Steer has also advised numerous venture capital firms, investment banks and independent investors on the commercial development of drugs, biologics, diagnostics and medical devices. He has served as associate director of medical affairs at Marion Laboratories; medical director at Ciba Consumer Pharmaceuticals (Ciba-Geigy Corporation); vice president, senior vice president and member of the executive committee at Physicians World Communications Group; chairman, president and CEO of Advanced Therapeutics Communications International, and chairman and CEO of Vicus.com, Inc. Dr. Steer serves on the boards of Vital Therapies, Inc., and Bio-Techne.
