## COVID-19 Updates

Find resources for providers on the Medical Professionals Resource Center

Find answers to questions on referrals and testing on the Medical Professionals Resource Center

## Patient Care

### [Providers around the world collaborate to address osteoporosis treatment crisis](#)

The rate of osteoporosis treatment initiation after hip fracture has declined, resulting in further fractures and the individuals' consequent pain, disability and loss of quality of life.

### [Immunotherapy and standard therapy show promise in the treatment of glioblastoma](#)

Mayo Clinic is advancing new applications of immunotherapy for glioblastoma, with a focus on more-potent and combination therapies for optimal effectiveness.

## Research

### [Bowel prep study examines use of medications with patient positioning](#)

A Mayo Clinic study investigates the use of comprehensive purgative preparation combined with right lateral positioning.

### [Immune cells may improve accuracy of predicting survival in colorectal cancer](#)

Analysis of tumor-infiltrating lymphocyte density and tumor budding may serve as a method to more accurately predict survival in patients with stage III colon cancer.

## Education

Mayo Clinic School of Continuous Professional Development offers [online CME courses](#) and [podcasts](#) to help meet your CME needs during the COVID-19 pandemic.

Medical education from Mayo Clinic experts is also available through [GIBLIB](#), a new on-demand medical education library. GIBLIB's extensive offerings include full-capture surgical video with live narration by Mayo Clinic surgeons, lectures by industry leaders, and GIBLIB originals featuring timely discussions on trending topics in medicine.

### [Mayo Clinic Talks Podcast](#)

Each month, Mayo Clinic specialists discuss a variety of topics helpful to primary care practice.

### [6th Annual Update on Infectious Diseases for Primary Care 2021 — LIVESTREAM](#)

Jan. 15-17, 2021

Topics include emerging infections, multiply resistant pathogens, new diagnostics, guidelines, regulations and antimicrobials, plus insights into infectious disease challenges faced in daily practice.

### [Internal Medicine Pathways to MOC 2021 — LIVESTREAM](#)

March 15-17, 2021

Mayo Clinic collaborates with Kaiser Permanente to offer this intensive maintenance of certification (MOC) course. The course provides practicing physicians a comprehensive overview of all areas in internal medicine.
