

# Clinical Physician Update

May 2026

## Patient Care

### Recognizing heart failure earlier gives patients more treatment options

Mayo Clinic Transplant Center specialists discuss new treatments for patients with advanced heart failure and how artificial intelligence (AI) can help improve outcomes.

[Read the article](#)

### Complex care plans for the complexities of a lymphoma diagnosis

Novel therapeutics and a collaborative approach to care are critical to effectively treating lymphoma, especially for rare subtypes of the disease and other challenging diagnoses.
