

CANCER

PHYSICIAN UPDATE E-EDITION

August 2021

Patient Care

[Patients requiring laryngectomy now have more options](#)

To date, surgical options for laryngectomy have not satisfied all patients. An otolaryngologist at Mayo Clinic in Arizona talks about his work on alternatives: larynx transplant and a 3D-printed prosthetic larynx.

[Future direction of non-Hodgkin's lymphoma therapy](#)

Immune blockade isn't nearly as effective as a sole treatment for non-Hodgkin's lymphomas as it is for Hodgkin's. A Mayo hematologic oncologist sees potential for this therapy in combination with others in future studies.

[Easily make referrals to Mayo Clinic or access your patients' medical records](#)

Enroll in Mayo Clinic CareLink referring physician portal to make a referral and access your patients' medical records 24/7. CareLink may be accessed on desktop and tablet browsers.

Research

[Recommendations may improve outcomes for patients with advanced pancreatic cancer](#)

Outcomes from two Mayo Clinic retrospective studies support new surgical procedures and predictors of outcome for patients with advanced pancreatic cancer.

[De-escalation of adjuvant therapy can benefit patients with HPV\(+\)-OPSCC](#)

Research compares prior de-escalation outcomes to a contemporary cohort of patients with human papillomavirus-associated oropharyngeal squamous cell carcinoma (HPV(+)-OPSCC) who met criteria for de-escalated radiation therapy but received standard adjuvant treatment.

Education

Mayo Clinic School of Continuous Professional Development offers [live courses](#), [livestreaming courses](#), [online continuing medical education \(CME\) courses](#) and [podcasts](#) to meet your CME needs.

Medical education from Mayo Clinic experts is also available through [GIBLIB](#), a new on-demand medical education library. GIBLIB provides a free 7-day trial and 25% discount on premium annual subscriptions including unlimited CME for Mayo Clinic learners. Simply enter code **MAYOCPD2021** to access this offer.

[10th Annual Individualizing Medicine Conference — #CIMCONX](#)

Oct. 8-9, 2021, in Jacksonville, Fla., and livestream

Learn from experts how genomics is transforming clinical practice, research and education. Genomics will accelerate the ability to prevent, diagnose and treat disease more precisely, and drive a revolutionary shift toward individualized medicine.

[Onco-Nephrology Symposium 2021](#)

Oct. 8-9, 2021, in Rochester, Minn., and livestream

This interactive symposium updates providers at all levels about recent onco-nephrology advances, including topics such as overcoming nephrotoxicity of chemotherapeutic agents, drug dosing principles for chronic kidney disease and dialysis-dependent end-stage renal disease.

[Mayo Clinic Hepato-Pancreatico-Biliary Cancer Symposium 2021](#)

Nov. 12-13, 2021, in Las Vegas

Renowned faculty provide updates on treatment options for patients with hepato-pancreatico-biliary cancers. Topics address the importance of early diagnosis and treatment, including surgery, radiation, and loco-regional approaches and systemic therapies, and emphasize clinical application.
