## COVID-19 Updates

Find resources for providers and answers to questions on referrals and testing on the Medical Professionals Resource Center

## Patient Care

### [Asymptomatic atrial fibrillation: Should we intervene, and if so, how?](#)

Christopher V. DeSimone, M.D., Ph.D., cardiac electrophysiologist, discusses the increasing prevalence of asymptomatic atrial fibrillation.

### [Innovations in heart valve treatments through TAVR/TAVI technology](#)

Mayo Clinic heart specialists review advances in the treatment of aortic valve disease, including new options for treatment with transcatheter aortic valve replacement (TAVR) and transcatheter aortic valve implantation (TAVI).
