

Surgery Physician Update

April 2026

Patient Care

Mayo Clinic offers nipple-sparing mastectomy

Expert breast surgeons at Mayo Clinic in Jacksonville, Florida, are pioneering the newly FDA-cleared robotic nipple-sparing mastectomy — an innovative technique that may improve cosmetic results and reduce scarring.

Research

Specialized, team-based care for neurogenic TOS

Mayo Clinic surgeons use a coordinated, diagnosis-first approach to identify neurogenic thoracic outlet syndrome (TOS), prevent unnecessary surgery and personalize treatment.
