

October 2020

### COVID-19 Updates

Find resources for providers and answers to questions on referrals and testing on the Medical Professionals Resource Center

### Patient Care

#### [Regenerative Medicine Consult Service provides realistic information about orthobiologics](#)

For patients who aren't good candidates for orthopedic surgery and haven't responded to physical therapy or steroid or hyaluronic acid injections, orthobiologics may fill the treatment gap.

#### [Sustainable, cost-effective staffing model addresses obstetrician shortage](#)

In an innovative team care model that's won high marks from patients, certified nurse-midwives provide obstetric care for patients who are at low to moderate risk of complications.

#### [Nonsurgical approaches provide meaningful improvement for patients with Peyronie's disease](#)

Mayo specialists consider three key points when determining optimal treatments for patients with Peyronie's disease: baseline erectile function, duration of symptoms and level of invasiveness the patient will consider.

## Research

### [Index reveals likelihood of chronic disease development](#)

The Gut Microbiome Health Index, a biologically interpretable mathematical formula, reveals the likelihood of disease development based on a gut microbiome profile drawn from a person's stool sample and independent of clinical diagnosis.

## Education

Mayo Clinic School of Continuous Professional Development offers [online CME courses](#) and [podcasts](#) to help meet your CME needs during the COVID-19 pandemic.

Medical education from Mayo Clinic experts is also available through [GIBLIB](#), a new on-demand medical education library. GIBLIB provides a free 7-day trial and 25% discount on premium annual subscriptions including unlimited CME for Mayo Clinic learners. Simply enter code **MAYOCPD2020** to access this offer.

### [Mayo Clinic Talks Podcast](#)

Each month, Mayo Clinic specialists discuss a variety of topics helpful to primary care practice.

### [Optimizing Potential — Beating Burnout — LIVESTREAM](#)

Dec. 4, 2020

Rekindle meaning in work and home life: Learn how to recognize the signs and symptoms of burnout, identify key drivers of burnout, and implement effective action plans to prevent burnout.

### [6th Annual Update on Infectious Diseases for Primary Care 2021 — LIVESTREAM](#)

Jan. 15-17, 2021

Topics include emerging infections, multiply resistant pathogens, new diagnostics, guidelines, regulations and antimicrobials, plus insights into infectious disease challenges faced in daily practice.

### [Internal Medicine Pathways to MOC 2021 — LIVESTREAM](#)

March 15-17, 2021

Mayo Clinic collaborates with Kaiser Permanente to offer this intensive maintenance of certification (MOC) course. The course offers practicing physicians a comprehensive overview of all areas in internal medicine.
