II. Selection/Evaluation of President/CEO

SELECTION:

President/CEO

1. A search committee will be recommended to the full Board of Trustees for their approval. It will consist of the Chair of the Board of Trustees, a public member from the Governance and Nominating Committee recommended by that Committee, two senior Mayo physicians who are self-determined non-candidates for the position, and one senior administrator. The two physicians and one senior administrator shall be recommended by the MCBOG. The Chair of the Board of Trustees will chair the search committee.

2. Broad input regarding issues to be addressed, personal characteristics, and potential candidates will be obtained from the organization and from the Board of Trustees. A letter will be sent to all physician and administrative voting staff inviting their written input if they desire to provide it. In addition, individual interviews will be scheduled and held with members of the Board of Trustees and members of the MCBOG. Individual interviews will be offered to senior leadership across the organization. All Trustees may give their comments to the search committee in writing or verbally.

3. The search committee will then report their findings and recommendations to the MCBOG. Any Internal Trustees who are not members of the MCBOG shall participate with the MCBOG on all matters related to the selection of the President/CEO. With the concurrence of the MCBOG, the findings and recommendations will be presented to the full Board of Trustees for discussion. The Search Committee and MCBOG shall periodically report the progress of the search progress to the members of the Board of Trustees. The identity of the short list of candidates for the position shall be shared with members of the MCBOG and the Board of Trustees along with biographical information and other information deemed appropriate by the Search Committee. The MCBOG shall submit its nomination to the Board of Trustees along with biographical information and other information deemed appropriate by the Search Committee at least two weeks before the scheduled vote by the Board of Trustees on the nomination.

4. Election by the Board of Trustees.
EVALUATION:

President/CEO

1. The President/CEO shall prepare written annual objectives for submission to the Board of Trustees by February 1st of each year. These will be discussed and approved at the February meeting of the Board of Trustees.

2. The President/CEO shall prepare a written summary of accomplishments against the objectives by early October of each year. These will be submitted to an evaluation committee recommended by the MCBOG. It will consist of the Chair of the Board of Trustees, a public member from the Governance and Nominating Committee recommended by that Committee, two senior Mayo physicians, and one senior administrator. The two senior Mayo physicians and one senior administrator shall be recommended by the MCBOG. The Chair of the Board of Trustees will act as evaluation committee chair.

3. This committee will evaluate the President/CEO’s performance against the objectives. The committee may interview senior physicians and administrators when appropriate to aid in the evaluation. The committee’s conclusions shall be reported first to the MCBOG (excluding the CEO) and then to the entire Board of Trustees in a session not attended by the CEO.

4. Based on the committee’s evaluation and Board discussion, the Chair of the Board of Trustees shall share the evaluation with the President/CEO immediately after the November meeting.

5. The results of the evaluation shall be taken into consideration in the preparation of the CEO’s succeeding year objectives.

III. Selection/Evaluation of Physician Vice Presidents, including Vice President/CEOs for Mayo Clinic in Arizona and Florida

SELECTION:

1. To ensure both local and system-wide involvement and accountability, the following process will be used:
   a. A search committee will be recommended by the President/CEO and approved by the MCBOG. The Committee will be chaired by a Member of the MCBOG. The Committee will also have at least two other MCBOG members and at least two members of the Voting Staff or the Executive Operations Team from the involved site. Committee members will be drawn from the Midwest Executive Operations Team or the Rochester Voting Staff for the selection of the physician Vice President in the Midwest.
   b. Broad input regarding issues, personal characteristics, and potential candidates will be obtained by the Committee from the organization including interviews or written requests for input from all Members of the MCBOG, from the site’s Executive Operations Teams, and from the Mayo Clinic Voting Staff. The findings and recommendations of the search committee will be reported to the President/CEO and to the MCBOG. The President/CEO shall recommend the Vice President subject to the nomination by the MCBOG and election of the Board of Trustees.

EVALUATION:

1. The President/CEO will perform an annual evaluation of the Vice Presidents. The evaluation process will include input from a broad cross-section of the relevant constituencies. The evaluation findings will be shared with each respective Vice President and, as appropriate,
with the MCBOG and the Executive Operations Teams, in the context of achievement of an explicit list of performance expectations (defined previously).

2. The President/CEO determines appropriate action based upon the review.

IV. **Membership Selection and Criteria for MCBOG, Mayo Clinic Management Team and Executive Operations Teams**

**Membership of the Mayo Clinic Board of Governors/Executive Committee of Board of Trustees**

1. Basic principles are as follows: physician-led, clear physician majority, non-representational, and self-perpetuating membership with input from and confirmation of “At-Large Positions” by the combined voting staff at Mayo Clinic in Arizona, Mayo Clinic in Florida, and Mayo Clinic on the Rochester campus (“Voting Staff”). “Non-representational” in this context means that, regardless of whether a member is in a “designated position” or an “at-large position”, when at the MCBOG, all members are to function in a non-representational fashion.

2. The MCBOG will have a maximum of 14 voting members as follows:

<table>
<thead>
<tr>
<th>Designated Positions</th>
<th>At-Large Positions</th>
</tr>
</thead>
<tbody>
<tr>
<td>President/CEO, Chair</td>
<td>Seven Physician/scientists at-large</td>
</tr>
<tr>
<td>Vice President-CAO, Secretary</td>
<td>One Physician/scientist/administrators at-large</td>
</tr>
<tr>
<td>Three Physician Vice Presidents</td>
<td>One administrator at-large</td>
</tr>
</tbody>
</table>

3. Members are nominated by the MCBOG, with input from the Voting Staff and from other key stakeholders, and are appointed by the Board of Trustees. The nomination of “at-large” members is subject to confirmation by the Voting Staff. The Secretary of the MCBOG shall give notice to the Secretary(ies) of the Voting Staff that an individual has been nominated by the MCBOG for an “at-large” position on the MCBOG. The Secretary(ies) of the Voting Staff shall call a special meeting of the Voting Staff, to be held within thirty (30) days after receipt of the notice from the Secretary of the MCBOG, to consider confirmation. If the annual meeting of the Voting Staff is scheduled within the thirty (30) day period, the matter may be acted upon at the annual meeting. In lieu of a special meeting of the Voting Staff or in connection with a special meeting or the annual meeting, the Voting Staff may conduct the confirmation vote by electronic means. The electronic voting process shall provide Voting Staff at least fifteen (15) days to submit their ballots electronically, reasonable safeguards shall be implemented to assure the anonymity of each vote cast, and the electronic voting must be completed within thirty (30) days after receipt of the notice from the Secretary of the MCBOG. Confirmation shall occur unless a majority of Voting Staff eligible to vote cast their votes in opposition to confirmation. If the Voting Staff process is not completed within such thirty (30) day period, the nomination shall be deemed confirmed. If the nomination is acted upon but not confirmed, another person shall be nominated by the MCBOG and submitted for confirmation by the Voting Staff. If the second nominee is acted upon but not confirmed, the MCBOG shall nominate a third person and such nomination shall not be subject to confirmation of the Voting Staff.

4. Members should have senior leadership experience.

5. Chair is President/CEO of Mayo Clinic except in extraordinary times such as transition or sickness.
6. Vice Chair is a physician who is also a Vice President of the Mayo Clinic.

7. The maximum membership is 14 members and the minimum membership is 7 members. However, to promote orderly succession planning or to meet other exceptional demands or opportunities, and with approval of a majority vote of the Board of Trustees, the Board of Governors may consist of up to 15 persons for a period not to exceed two years.

8. All members of the MCBOG shall be Internal Trustees. In the event the size of the MCBOG is less than fourteen, the remaining Internal Trustee positions shall have one year terms filled by nomination of the MCBOG and election by the Board of Trustees.

9. Members shall serve staggered one-year or four-year terms. The usual duration for “At-large” positions is two consecutive terms.

10. The Chair is responsible for defining roles for members and defining a process for member performance evaluation.

11. By October 1 of each year, the MCBOG will determine the ex-officio, non-voting members of the Board for the following year. The MCBOG shall evaluate the ex-officio, non-voting members in connection with the annual evaluation of the President/CEO.

Membership of the Mayo Clinic Management Team
1. Members shall include the Mayo Clinic President/CEO or the President/CEO’s designee, Mayo Clinic CAO, Mayo Clinic CFO, physician Vice Presidents, the physician leader and the administrative leader of the Mayo Clinic Health System, site CAOs, and other members as designated by the Mayo Clinic President/CEO.

Membership of the Site Executive Operations Team
1. The Site Vice President/CEOs and the President/CEO (with respect to the Rochester campus) shall annually recommend to the MCBOG the membership of the respective Executive Operations Teams. The MCBOG shall annually elect the membership of the respective Executive Operations Teams. The process shall be completed so that the membership can be announced at the Annual Meeting of the Voting Staff. It is expected that most members of the Executive Operations Teams will serve multiple consecutive terms. To maintain flexibility regarding the structure of the Executive Operations Teams and regarding related management and operational structures at the respective Sites, members of the Executive Operations Teams will not be subject to endorsement or confirmation by the Voting Staff.

2. Members should be leaders from the organization who, preferably, have a breadth of experience across the institution.

3. Members should serve their local entity and support and serve the goals of Mayo Clinic.

4. The respective physician Vice Presidents shall automatically become and shall remain a member of the respective site Executive Operations Teams for so long as he or she serves in that role.

5. The respective site CAOs shall automatically become and shall remain a member of the respective site Executive Operations Teams for so long as he or she serves as site CAO.
